

Wiki and Email Terms and Conditions

Students are expected to:

1. Act safely and responsibly.
2. Do not post personal information such as:
 - ☐ Last name
 - ☐ Address
 - ☐ Phone number
 - ☐ Password
 - ☐ Username
 - ☐ Any email address
 - ☐ Any links to websites such as MySpace, Facebook, etc.
3. Only share your username and password with your parents and remind them not to share it with anyone.
4. Never login as another student.
5. Treat Wikispaces as classroom spaces. Speech that is inappropriate for class is not appropriate for your Wiki.
6. Only edit information on your pages.
7. Any comments/ideas you give to other students are to be respectful and helpful.
8. Treat email as educational spaces. Email messages are for educational collaboration, not your personal messages.
9. If you receive an email that makes you feel uncomfortable or is not respectful, archive the message and tell your teacher/parent right away. Do not respond to the email.
10. Remember copyright laws.
11. More dos and don'ts will be added as we discover them. Check back often for updates.
12. By using the Wiki and email, students agree to abide by these terms and conditions. Failure to abide by these terms and conditions will result in losing access to your account and completing assigned work using paper and pencil.
